

Clearing, Filling and Surrounding Yourself With Divine LOVE and LIGHT

Any time during the day, this prayer can be said when something needs to be healed, cleared and released.

Great Spirit and Great Spirit Helpers, as are best,

- 1) Help me to always live within Pure Divine LOVE and LIGHT and guide me to always embody my highest purpose and highest good. *Thank You.*
- 2) Help me to use the VIOLET FLAME and all other methods as are best to fully see, heal, transmute, release, integrate, balance, align and attune all situations and all energies as is best. *Thank You.* (be specific during the day when it *feels* 'right')
- 3) Help me to see, heal, transmute, release and integrate as is best, all that had been blocking or limiting me. *Thank You.*
(Remember to do your part by prayer, positive affirmations, de-energizing memories replaying and by releasing trapped or suppressed feelings/emotions).
- 4) Help me do what is best with the energies involved. *Thank You.*
- 5) Help me acknowledge, activate and integrate all positive aspects that have been hidden, forgotten and/or suppressed. *Thank You.*
- 6) Help me to fill all voids and emptiness with 100% Pure Divine LOVE and LIGHT as is best. *Thank You.*
- 7) Help me do the same, as is best, for all places, persons, beings and everything I have or will come in contact with and/or have communication with. *Thank You.*
